

Hey friends,

We're thrilled to invite you to the ASP Skills Summit, happening March 1-2, 2025, at the Old Fort Gun Club in Fort Smith, AR. This is your chance to train smarter, shoot better, and gain confidence in your defensive skills—all while having a blast with like-minded folks.

Here's what you can expect:

- Precision Shooting: Nail accuracy and speed like never before.
- Advanced Shooting Positions: Learn to shoot from unconventional and low-profile stances.
- Movement Drills: Because bad guys don't stand still, and neither should you.
- Target Decision Drills: Hone your ability to think fast and act faster under pressure.
- Real-World Scenarios: Apply everything you've learned in drills designed to simulate real-life encounters.

We'll help you kickstart your improvement journey—you won't master these skills in two days, but you'll leave knowing exactly how to keep progressing.

BONUS: Ammo Giveaway!

Here's the kicker: if the class fills up, we'll randomly select one lucky attendee to have their ammo covered for the weekend—500 rounds of Magtech 9mm 115-grain. It's a small way we like to say "thanks for training with us!"

Whether you're new to shooting or a seasoned practitioner looking to refine your edge, this summit is designed for YOU. Plus, if you want even more focused attention, private lessons (available the weekdays prior) are perfect for a custom tune-up or an excellent intro for newer shooters.
